MEMORANDUM FOR THE RECORD

Morning Meeting of 20 July 1967

DD/I explained that the conclusions [] reflect MACV's concern about the kinds of weapons which are coming into Cambodia for ultimate use against friendly forces in South Vietnam.

25X1

Godfrey said that OCI is modifying the Congo section of the Director's briefing for the Rivers committee in order to take into account Ambassador McBride's views on the origins of the recent rebellion.

Godfrey discussed a report that FROG missiles are being delivered to the UAR.

Kent said that we are in touch with DIA trying to iron out a possible footnote to the SNIE on the Middle East before this morning's USIB meeting.

Carver reported on his session with Ambassador Komer yesterday.

Warner noted that Charlie Schultze is scheduled to discuss RDC funding with Senator Russell next Monday.

Houston remarked on the high caliber of the current CT class.

DD/S&T reported on his meeting with Secretary Nitze yesterday.

Executive Director discussed the need to pull together outstanding problems between the Agency and DOD for the most effective presentation to Secretary Nitze. (See Action 1)

DDCI passed the DD/I news coverage on U. S. policy in the event of hostile Cuban reaction to U-2 overflights.
